Building Permits (1 year period – Ending March 11, 2021)

The Board of Commissioners has waived permit fees and encourages property owners and contractors to apply online in lieu of coming to the office. Lee County is taking recommended precautions due to COVID-19. Please include the insurance adjustor's itemized scope of work with all permits located in a Special Flood Hazard Area. Proceed with necessary demolition of damaged areas prior to building permit approval.

Please understand that it is appropriate to proceed with any necessary (limited) demolition of flood damaged areas prior to building permit approval. Please also understand that a building permit and inspection approvals are required prior to re-installing interior finishes in any damaged structure.

Please email building permit applications to rozanne.braswell@lee.ga.us (229)759-6038
