#### **NEW BUSINESS**

Recognition of employees' years of service. (A)

Chairman Mathis recognized the following employees for their years of service to Lee County:

5 years - Courtney Wingfield - County Extension Office

5 years - Danny Alday - Sheriff's Office

5 years - William Gurley - Public Safety

15 years - David (Alan) Kidd - Fire & EMS

20 years – Carla Brown – Magistrate Court Judge

20 years - William McCalvin - Parks and Recreation

25 years - Douglas Denmark - Public Works

(B) <u>Dr. Emmett Griswold, President of Albany Technical College, to address the Board to give his formal introduction and provide Albany Technical College workforce updates.</u>

Dr. Griswold formally introduced himself as the President of Albany Technical College (ATC), following the passing of longtime President Dr. Anthony Parker. Dr. Griswold has been at ATC for 18 years and served as the warden at Lee State Prison for approximately seven (7) years prior to his employment at ATC. Dr. Griswold expressed his desire to continue supporting Lee County and presented on the Workforce Academy, which will provide nightly and weekend classes to better accommodate individuals' daily/work schedules. The capacity in the nursing program is also expanding to allow for more students.

In addition to offering the Dual Enrollment Program in which current high school students may enroll and gain credit for college courses, ATC now has introduced a Dual Achievement Program in which individuals aged 16 to 21 who have withdrawn from high school can attend classes and receive their high school diploma alongside their ATC academic program. ATC has received the accreditation necessary to award high school diplomas. Chairman Mathis and the Board thanked Dr. Griswold and voiced appreciation for ATC and the services the college provides to the community.

(C) <u>Hospital Authority Chairman Rick Muggridge to address the Board regarding next steps for the Hospital Authority and the hospital project.</u>

Chairman Mathis thanked Hospital Authority Chairman Muggridge and the rest of the Authority for their work and wished to emphasize that they are unpaid volunteer public servants. Mr. Muggridge voiced appreciation on his and fellow members' appointment to serve on the Hospital Authority.

Mr. Muggridge stated that there was still a need for this project and emphasized how the past conditions still exist for a feasible hospital. There is consensus among the Hospital Authority members to move forward with the project so as to enhance the healthcare options and opportunities for the citizens of the County. Depending on the CON law, if the CON still exists, the Authority wishes to pursue it. There are currently 187 hospitals of varying sizes in the State of Georgia, so the Authority believes it can be done.

At the July 10, 2023 meeting of the Hospital Authority, the members motioned to authorize the Chairman to do the following: (1) Notify the Lee County Board of Commissioners of the Lee County Hospital Authority's desire to pursue a CON, design, finance (via HA Bonds), build and manage a 60-bed hospital within Lee County; (2) request the endorsement of the Lee County Board of Commissioners for same; (3) develop an RFP for Hospital Management/ Consulting Groups for proposals for Management Consultation from current status through CON process, design, build and 12 months operation; and (4) solicit partnerships and/or management contracts and/or consulting from existing Hospital Systems in Georgia, Florida, and Alabama from current status through CON process, design, build and 12 months operation.

At the same meeting, Hospital Authority members also motioned to request the Lee County Board of Commissioners change the by-laws of the Lee County Hospital Authority to allow for Electronic/Digital attendance of meetings by board members as long as the Chairman (or Vice-Chairman) is in an announced location within Lee County and the public can hear all meeting business. Mr. Muggridge asked the Board to consider the above items and get back with the Hospital Authority soon to discuss next steps, stating he would come back to the Board when ready. Chairman Mathis asked County Attorney Skipper to bring something to the Board regarding the by-law change for their consideration at a future meeting. Chairman Mathis added that he thinks it to be the will of the Board to advise the Hospital Authority to move forward with pursuing a partner as the first step, moving from there as necessary. With no objection from the Board, Mr. Muggridge stated that he would be back with findings.

#### **DEPARTMENTAL MATTERS**

**Building Inspection/ Business Licensing** 

(A) Consideration to approve an application for an alcohol license from Mr. Devanshukumar Patel for the retail sale of off-premise consumption of liquor, wine and beer. This will be a Package Store named "The Spirits" proposed to be located at 1425 US Hwy 82 West.

Package stores must be in standalone buildings and located not less than 500 yards from another package

store.

Commissioner Guarnieri made the **MOTION** to <u>approve</u> an application for an alcohol license from Mr. Devanshukumar Patel for the retail sale of off-premise consumption of liquor, wine and beer at a Package Store named "The Spirits", proposed to be located at 1425 US Hwy 82 West. Commissioner Singletary seconded the **MOTION**. The **MOTION** was unanimous with Commissioner Roland and Commissioner Walls voting yea.

Planning, Zoning & Engineering

(B) Review of the minutes from the July 6, 2023 meeting of the Planning Commission. The minutes were reviewed as presented.

(C) Consideration to approve an application from Brittany Land Company, LLC (Z23-006) rezone two (2) lots at a total of 49.297 acres from AG to R-1. This property lies in Parcels 025 044 & 026 016 in Land Lot 71 of the Second Land District of Lee County, Georgia. Planning Commission recommends approval, with the following condition, as presented on the staff report: The proposed development must reduce impacts on floodplains (and wetlands, if identified) to the extent possible. Public Hearing held July 11, 2023

Applicant George McIntosh was present and summarized the project, stating it would be similar to the first

phase of Brittany Plantation, with lots at a minimum of 5 acres.

Commissioner Singletary made the **MOTION** to <u>approve</u> an application from Brittany Land Company, LLC (Z23-006) rezone two (2) lots at a total of 49.297 acres from AG to R-1L (correct zoning is R-1L, a recognized typo on the agenda item). This property lies in Parcels 025 044 & 026 016 in Land Lot 71 of the Second Land District of Lee County, Georgia, <u>without</u> the following condition, as presented on the staff report: The proposed development must reduce impacts on floodplains (and wetlands, if identified) to the extent possible. Commissioner Guarnieri seconded the **MOTION**. The **MOTION** was unanimous with Commissioner Roland and Commissioner Walls voting yea.

- (D) Consideration to approve a variance application from Oakland Plantation Partners, LLC (Z23-007) to allow the following setbacks: 18' front, 10' rear, and 5' side for each lot. This is currently zoned R-2. The total number of acres is 39.316. This property is located off of Oakland Parkway in Parcel 017D 004. Planning Commission recommends approval with a 3 2 vote. Public Hearing held July 11, 2023 Commissioner Singletary made the MOTION to approve a variance application from Oakland Plantation Partners, LLC (Z23-007) to allow the following setbacks: 18' front, 10' rear, and 5' side for each lot. This property is located off Oakland Parkway in Parcel 017D 004. Commissioner Guarnieri seconded the MOTION. The MOTION was unanimous with Commissioner Roland and Commissioner Walls voting yea.
- (E) Consideration to adopt an ordinance to amend Chapter 70 of the Code of Ordinances of Lee County (the Lee County Zoning Code) so as to amend definitions as required by 2022 Georgia Laws Act 881 (HB 1405). Planning Commission recommends approval. Public Hearing held July 11, 2023

  Commissioner Guarnieri made the MOTION to adopt an ordinance to amend Chapter 70 of the Code of Ordinances of Lee County (the Lee County Zoning Code) so as to amend definitions as required by 2022 Georgia Laws Act 881 (HB 1405). Commissioner Singletary seconded the MOTION. The MOTION was unanimous with Commissioner Roland and Commissioner Walls voting yea.
- (F) Consideration to adopt an ordinance to amend Section 70-6 of the Code of Ordinances of Lee County relating to definitions under the Lee County Zoning Code so as to revise the definition of "home occupation, residential". Planning Commission recommends denial with a 4 1 vote. Public Hearing held July 11, 2023

Commissioner Singletary made the **MOTION** to <u>adopt</u> an ordinance to amend Section 70-6 of the Code of Ordinances of Lee County relating to definitions under the Lee County Zoning Code so as to revise the definition of "home occupation, residential". Commissioner Guarnieri seconded the **MOTION**. The **MOTION** was unanimous with Commissioner Roland and Commissioner Walls voting yea.

(G) Consideration to adopt an ordinance to amend Chapter 70, Article III, Section 70-94 of the Code of Ordinances of Lee County relating to greenspace, so as to establish the process to determine unbuildable land and undevelopable land. Planning Commission recommends approval, with the following amendment: A minimum of twenty-five percent (25%) of the remaining developable land shall be preserved as greenspace regardless of service level. Public Hearing held July 11, 2023

Commissioner Singletary made the MOTION to table this item to allow County Attorney Skipper more time for review, per County Attorney Skipper's request. Commissioner Guarnieri seconded the MOTION. The MOTION was unanimous with Commissioner Roland and Commissioner Walls voting yea.

## CONSTITUTIONAL OFFICERS & GOVERNMENTAL BOARDS/AUTHORITIES

(A) <u>Elections and Registration - Consideration to approve an Intergovernmental Agreement with the Secretary of State's Office.</u>

Commissioner Roland made the **MOTION** to <u>approve</u> an Intergovernmental Agreement with the Secretary of State's Office for the purpose of temporary storage of voting equipment. Commissioner Guarnieri seconded the **MOTION**. The **MOTION** was unanimous with Commissioner Singletary and Commissioner Walls voting yea.

#### **COUNTY MANAGER'S MATTERS**

(A) Updates on County projects.

County Manager Christi Dockery discussed ongoing projects in the County: (1) SPLOST VIII proposed projects will be brought to the Board on August 8 for discussion; (2) the Hwy 32 tower was recently struck by lightning, but the necessary replacement part has been ordered and will be installed in approximately nine weeks; (3) Motorola representatives will be on site soon for the new northern tower, which should be built and operational by early 2024; and (4) staff is working to compile LMIG project list based on the wishes of the Board. Commissioner Guarnieri asked County Manager Dockery to look into adding Springlake Drive to his district list for LMIG. Chairman Mathis asked County Manager Christi Dockery to look into what would need to happen in order to find a new location for a tower so as to move our equipment from the current tower on Hwy 32 E.

#### COMMISSIONER'S MATTERS

(A) Discussion of the 100-acre park. HANDOUT

Commissioner Singletary began the discussion by stating he and Parks and Recreation Director Jeremy Morey had looked into an existing park in Dublin that contains many of the activity spaces desired for the 100 acre property. Mr. Morey has also reached out to the company who designed the park and is awaiting a reply. Mr. Morey stated that the park is very well designed and laid out very well, adding that his desired concept plan for the 100 acre property would be similar to this plan, and would include multipurpose fields, baseball fields, and a multipurpose building with changeable flooring so it may also be used as basketball courts during the season and be able to remove the flooring to accommodate car shows, agricultural shows, etc.

Mr. Morey stated that currently the Parks & Recreation department utilizes gyms at the schools, however, scheduling and other factors can sometimes make it difficult to use those spaces. Once a multipurpose building is constructed, the program could put it to use as soon as it is built, especially for basketball season. Commissioner Walls asked if the gyms at the schools were being used, to which Mr. Morey replied that they were. There has also been several requests for pickleball courts and staff is looking into that possibility as well. The next step is to determine the usable space on the 100 acres and create a design plan from there.

Mr. Morey also provided an update on the neighborhood parks stating that since his previous presentation to the Board, he has been working to put numbers together and is awaiting quotes.

Commissioner Roland asked about Chehaw Park and Zoo project that was discussed at a previous meeting, inquiring as to if the County was going to pay the proposed amount of \$400,000.00, as requested. Commissioner Singletary stated he believed it to be a quality project and is worth discussing. Chairman Mathis added that Chehaw Park is 75% in Lee County and asked staff to find out if the other parties previously discussed have committed to paying their proposed portions.

(B) Discussion of potential road projects.

This item was discussed with the updates on County projects item.

(C) <u>Discussion of bid process.</u> HANDOUT

Chairman Mathis opened the discussion by stating that there needs to be two different bid processes, one for the larger projects and one for the smaller projects. Commissioner Singletary agreed, adding that the current insurance and bond requirements are not appropriate for some of the smaller projects, resulting in smaller companies not feeling able to submit a bid. Commissioner Singletary suggested a policy in which any project under \$100,000 did not require bonds, adjusting insurance requirements, and adding an acknowledgement of the workers compensation requirements per Georgia law to bid documents. County Manager Christi Dockery agreed, yet added that it is not always known what a particular project will cost until bids are received as what is received could be much different than what is original budgeted or estimated. Staff and County Attorney Skipper will evaluate the bid process.

(D) <u>Discussion of generators.</u> HANDOUT

There are approximately 13 County buildings that do not have a generator. Chairman Mathis stated that it may not be necessary to have a large and/or expensive generator at every building, but asked staff to acquire quotes for generators and bring them back to the Board. Commissioner Singletary also suggested staff look into the possibility of installing switches on some buildings and having mobile generators.

Staff requests the Board of Commissioners consider the Alcohol Application for Jaymin Patel, new owner of Lee Pub.

August 1, 2023

Mr. Jeremy Morey Director Parks & Recreation 141 Park Street West Leesburg, Georgia 31763

Jeremy,

Thank you for contacting us about a contract to develop a recreation facility master plan for your new property. The following pages outline a professional services agreement for the project. If you can sign and scan back a copy for our files, I would appreciate it.

Sincerely,

Whit Alexander, PLA, LEED AP Executive Vice President, CMO

## PROFESSIONAL SERVICES AGREEMENT

### **SCOPE OF SERVICES**

Lee County wishes to develop a recreation facility master plan for an approximate 100-acre property. At a conceptual level, the plan will outline locations for sports fields, parking, a potential indoor recreation center (shown as a location only), trails, playgrounds, a canoe launch, and other amenities.

- A. To initiate the planning process, our staff will meet in person with you and your team (elected officials, other Lee County representatives you invite to the meeting). We will listen to your ideas for the property and establish deadlines for upcoming work. Following the meeting, we will visit the site to observe its conditions. We will gather available base data you can provide for our use in preparing the plan.
- B. We will prepare 2 alternative layouts of the potential facilities to a conceptual level.
- C. We will meet in person with your team to review the 2 concepts, discuss pros and cons of each, and receive direction for revisions.
- D. Using your input will prepare a draft final master plan and prepare an opinion of probable cost, with potential phasing.
- E. We will meet in person with your team to review the draft final master plan and costs, and receive direction for revisions.
- F. We will prepare the final master plan and update the opinion of probable costs.
- G. We will provide the final master plan and updated opinion of probable cost to you via email as a pdf document and discuss our decisions with you via phone.

#### Exclusions/Assumptions:

- For this level of design, we will utilize available base data such as existing surveys, mapping, online environmental mapping (wetland information from online resources) GIS, aerial photography, etc. rather than survey the property, perform geotechnical services, or delineate environmental areas. These services will typically only be needed later when first phases of engineering drawings are being developed, but can be provided now as an additional service.
- These services will not include architectural building design, engineering
  of construction plans, bid documents, specifications, or construction
  administration services. Once phases of construction are identified, we
  can prepare an additional scope and fee proposal and provide these
  services as an additional service.

## **FEES**

For the services listed in the scope of services, we will charge a lump sum fee of \$18,750, invoiced monthly as a percentage of completion. All reimbursables will be charged per the following rate schedule.

Remit Payment To: Lose Design Attn: Accounts Receivable 2809 Foster Avenue Nashville, TN 37210 Questions May Be Directed to: Tammy Boyte Controller tboyte@lose.design 615-767-5811

#### TERMS AND CONDITIONS

Payment Schedule and Terms – Progress payments for the fees described previously will be due monthly, based on the Design Professional's estimate of the percentage of the work complete. If payment is not received by the Design Professional within 30 calendar days of the invoice date, the Client shall pay as interest an additional charge of 1.5% of the past due amount per month. Payment thereafter shall first be applied to accrued interest and then to the unpaid principal. Failure to make payments when due shall be cause for suspension of the Design Professional's services, and the filing of a lien against the property.

**Current Hourly Rates** - An attached table, dated January 1, 2023, outlines our current hourly rates and reimbursable expenses. These rates are current until January 1, 2024, at which time they may be adjusted by the Design Professional.

**Additional Services** – Only items of work specifically called out under the Services section of this Agreement are to be performed for the specified Fees. The Design Professional will consider any items not so specified as "Additional Services" and will perform those services upon request on an hourly fee basis as outlined on the attached Hourly Rate Schedule. If any Additional Services are requested, the Design Professional shall be reimbursed for associated out-of-pocket expenses as reflected on the attached Hourly Rate Schedule.

**Term of Proposal** – It is understood that this document outlines proposed Services and Fees to be provided in relation to the Client's project, and that this offer of proposed Services and Fees remains open for sixty (60) days from the date this document is issued. If the Client does not indicate acceptance by signing and returning one copy to the Design Professional within sixty days, this document becomes null and void.

**Fee Adjustment** – It is understood that in the event this project extends over a period of more than one year from the date of this Agreement, the fees for any remaining services will be adjusted proportionately to the "all items" group of the U.S. Department of Labor's Bureau of Labor Statistics Consumer Index.

Ownership of Documents – All reports, plans, specifications, computer files, field data, notes and other documents and instruments prepared by the Design Professional as instruments of service shall remain the property of the Design Professional. The Design Professional shall retain all common law, statutory and other reserved rights, including the copyright thereto. Reuse for extensions of the project or for new projects shall require written permission of the Design Professional and further compensation at a rate agreed upon by both parties. Any changes made to the construction documents by the Client, or by the Client's representatives, are strictly prohibited without the knowledge and written consent of the Design Professional. The Design Professional shall be released from any liability resulting from the unauthorized alteration of construction documents. The Design Professional grants the Client the right to use the drawings for their use in publications, public meetings, planning efforts, award submittals and the right to reproduce the drawing as needed for stated uses without requesting authorization from the Design Professional.

**Jobsite Safety** – The Design Professional is not responsible for job site safety during the master planning process. The owner retains sole responsibility and liability associated with securing the site and maintaining job site safety during the planning process.

**Applicable Law** – Unless otherwise provided, this Agreement shall be governed by Georgia state law.

LOSE DESIGN | 220 W CROGAN STREET, SUITE 100 LAWRENCEVILLE, GA 30046 | 770.338.0017

**Disputes Resolution** - All claims, counterclaims, disputes and other matters in question between the parties hereto arising out of or relating to this Agreement or breach thereof shall be presented to non-binding mediation, subject to the parties agreeing to a mediator.

**Termination of Services** – This Agreement may be terminated by either party upon not less than seven (7) days written notice should the other party fail to perform substantially in accordance with the terms of this Agreement through no fault of the party initiating termination. If this Agreement is terminated by the Client, the Design Professional shall be paid for services performed to the termination notice date, including reimbursable expenses due plus termination expenses. Termination expenses are defined as reimbursable expenses directly attributable to termination, plus 15 percent of the total compensation earned to the time of termination to account for the Design Professional's rescheduling adjustments, reassignment of personnel, and related costs incurred due to the termination.

**Opinion of Probable Cost** – In providing opinions of probable construction cost, the Client understands that the Design Professional has no control over costs or the price of labor, equipment, or materials, or over the contractor's method of pricing, and that the opinions of probable construction costs provided are to be made on the basis of the Design Professional's qualifications and experience. The Design Professional makes no warranty, expressed or implied, as to the accuracy of such opinions as compared to bid or actual costs.

Limit of Liability - In recognition of the relative risks and benefits of the project to both the Client and the Design Professional, the risks have been allocated such that the Client agrees, to the fullest extent permitted by law, to limit the liability of the Design Professional and its subconsultants to the Client for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, so that the total aggregate liability of the Design Professional and its subconsultants to all those named shall not exceed \$50,000 or the Design Professional's total fee for services rendered on this project, whichever is greater. Such claims and causes include, but are not limited to negligence, professional errors or omissions, strict liability, breach of contract or warranty.

In addition, the Client agrees to indemnify and hold the Design Professional harmless for any damage, liability or cost, including reasonable attorney's fees and defense costs, arising from any errors or omissions contained in the plans, specifications or other contract documents prepared by others. The Client agrees to extend any and all liability limitations and indemnifications provided by the Client to the Design Professional to those individuals and entities the Design Professional retains for performance of the services under this Agreement, including but not limited to the Design Professional's subconsultants and their officers, employees, heirs and assigns. It is intended that this limitation apply to any and all liability or cause of action however alleged or arising, unless otherwise prohibited by law.

**Betterment** - If, due to the Design Professional's error, any required item or component of the project is omitted from the Design Professional's construction documents, the Design Professional shall not be responsible for paying the cost to add such item or component to the extent that such item or component would have been otherwise necessary to the project or otherwise adds value or betterment to the project. In no event will the Design Professional be responsible for any cost or expense that provides betterment, upgrade or enhancement of the project.

#### SPLOST VIII

Lee County's Special Purpose Local Option Sales Tax VII (SPLOST VII) was approved by the voters during the May 2018 election on a 74.32% yes and 25.68% no vote, going into effect on October 1, 2019 for a period of six years (ending September 30, 2025). With that date rapidly approaching, staff would like to propose the schedule below regarding the SPLOST VIII referendum.

May 2023 to July 2023 – SPLOST VIII planning period for staff, including preparation of all SPLOST VIII documents

August 2023 to September 2023 - BOC discussions on proposed SPLOST VIII projects

October 2023 to January 2024 - Meetings with the cities to discuss SPLOST VIII

February 2024 to March 2024 – Preparation and approval of all SPLOST VIII documents and local governments approval of MOU and Resolutions

April 2024 - Submit documents to the Elections Superintendent to call for the election

**November 5, 2024** – Election held for SPLOST VIII (the Tuesday after the first Monday in November)

October 1, 2025 - Implementation of SPLOST VIII, if approved by the voters

September 30, 2031 - SPLOST VIII collection ends

Lee County is a thriving, vibrant community celebrated for its value of tradition encompassing a safe family oriented community, schools of excellence, and life long opportunities for prosperity and happiness without sacrificing the rural agricultural tapestry.

#### SPLOST VIII, cont.

Below are the SPLOST VIII required activities, legal uses of the SPLOST VIII revenue, SPLOST VIII projected revenue, and SPLOST legal do's and don'ts for your information.

#### **Required Activities**

In order to continue the 1% sales tax without interruption, a referendum should be scheduled for November 5, 2024 to determine if the voters would like to continue SPLOST for another six years. To begin the process, the Board of Commissioners must conduct the following activities in accordance with O.C.G.A 48-8-111:

- 1) Notify and meet with the two incorporated municipalities to discuss the possible projects for inclusion in the referendum along with the maximum cost of the projects. The meeting must be held at least 30 days prior to the issuance of the call for the referendum. If projects for the municipalities are included in the referendum, an intergovernmental agreement between the county and the municipalities must be prepared and approved stating those projects.
- 2) After meeting with the two municipalities, deciding how the tax proceeds will be used, the collection period, and calculating the maximum amount to be raised by the tax, the Board of Commissioners should pass a resolution containing the above information and forward said resolution to the Election Superintendent. The Election Superintendent will then issue a call for the election, publish a notice of the election in the County's official legal organ, the Lee County Ledger, once a week for four weeks prior to the election in accordance with state law. The election will be held on November 5, 2024. If the referendum fails, another referendum could not occur until twelve months later.

#### Legal Uses of SPLOST Funds

- 1) Road, streets, bridges, including sidewalks and bicycle paths.
- 2) Capital projects for the benefit of all county citizens such as, but not limited to, a county courthouse, county administration building, civic center, detention facility, or library.
- Capital projects which will be operated by a joint authority of the county and one or more municipalities within the county for the benefit of all citizens.
- 4) Capital projects which will be owned or operated by the county or one or more municipalities, or a combination thereof, which contain more than one-half of the aggregate population of all municipalities within the county.
- Capital projects consisting of cultural facilities, recreational facilities, or historical facilities.
- 6) Capital projects consisting of water/sewer projects to be owned or operated, or both, by a county water and sewer district and one or more qualified municipalities in the county.
- 7) Retirement of previously incurred general obligation debt.

Lee County is a thriving, vibrant community celebrated for its value of tradition encompassing a safe family oriented community, schools of excellence, and life long opportunities for prosperity and happiness without sacrificing the rural agricultural tapestry.

#### **Board of Commissioners**

One of Georgia's original counties - Established in 1825

- Capital projects for the benefit for all citizens consisting of public safety facilities, or other capital
  equipment related to the operation of public safety.
- 9) Projects within the special voting district, consisting of capital equipment for use in voting in official elections or referendums.
- 10) Capital projects for the benefit of all citizens consisting of any transportation facility designed for the transportation of people or goods and services including, but not limited to, railroads, port and harbor facilities, mass transportation facilities, or any combination thereof.
- 11) Capital projects within a special district and consisting of a hospital or hospital facilities that are owned by the county a qualified municipality, or a hospital authority within a special district **and** operated by such county, municipality, or hospital authority or by an organization which is tax exempt under Section 501 (c)(3) of the Internal Revenue Code, which operates the hospital through a contract or lease with such county, municipality, or hospital authority.
- 12) The repair of capital projects, including but not limited to roads, streets, and bridges that have been damaged or destroyed by a natural disaster.
- 13) Capital projects that are owned, operated or administrated by the State and located, in part or in whole within the special district.
- 14) Any combination of two or more of the above.

#### SPLOST VIII - Projected Revenue

Based on the proceeding SPLOST VII collection trend, assuming business growth on both Highway 82 and Highway 19, Lee County can expect to receive approximately \$420,483 per month, \$5,045,796 per year, or \$30,274,776 over the maximum six year period in SPLOST VIII revenue. Using the current SPLOST VII percentages, the County would receive \$6,563,088 (87.74%), the City of Leesburg would receive \$3,097,110 (10.23%) and the City of Smithville would receive \$614,578 (2.03%).

#### SPLOST VIII - Proposed Projects

Staff has been sent information regarding SPLOST VIII to submit projects to be considered and approved by the Board of Commissioners.

#### SPLOST Legal Do's and Don'ts

In accordance with O.C.G.A 21-5-30.2(b), the county or any department of the county or person acting on behalf of the county or any department shall not make, directly, or indirectly, any contribution to any campaign committee, political action committee, or political organization or to any candidate. This means the county cannot spend any public funds to obtain the passage of SPLOST. Elected officials may speak on behalf of the program, but public funds may not be spent toward advertising, flyers, mailings, or any other promotion on behalf of voting for SPLOST. If the Board decides to promote the SPLOST VIII referendum, a civic or business group such as the Chamber of Commerce can provide the leadership necessary to educate the citizens on the SPLOST VIII program.

Lee County is a thriving, vibrant community celebrated for its value of tradition encompassing a safe family oriented community, schools of excellence, and life long opportunities for prosperity and happiness without sacrificing the rural agricultural tapestry.

## MEMORANDUM LEE COUNTY BOARD OF COMMISSIONERS

Life works well here.

TO:

Honorable Board of County Commissioners

SUBJECT:

Road Projects

MEETING DATE:

Tuesday, August 8, 2023

#### MOTION/RECOMMENDATION

Discussion of the LMIG 2024 application and potential road projects.

#### **BACKGROUND**

This month, the Georgia Department of Transportation will begin accepting applications for the FY 2024 LMIG Program. The county's formula amount for 2024 is \$690,908.06, plus our 30% local match of \$207,272.42 comes to a total of \$898,180.48 to put towards various road projects. This is an increase of \$82,528.29 from FY2023. All electronic LMIG applications must be received no later than February 1, 2024.

The estimated cost to resurface a road is \$230,000.00 per mile and the estimated cost to pave a road is \$1.25 million per mile.

There is currently approximately \$3,525,633.20 available in TSPLOST funds and also approximately \$2,423,171.00 available in SPLOST VII funds.

## MEMORANDUM LEE COUNTY BOARD OF COMMISSIONERS

FROM:

Heather Jones, Finance Director

SUBJECT:

Jail Pay Raises

DATE:

August 8, 2023

On Tuesday, July 25, Chief Deputy Lewis Harris requested pay raises for all Jail staff. He expressed his concern that Dougherty County's starting pay for a Jailer was \$18.00 and Sumter County was paying \$15.00 an hour.

A plan was presented to increase the starting pay for a Jailer from \$13.57 to \$15.50 an hour. All current employees currently at \$13.57 an hour will be increased to \$15.50 an hour. All Lieutenants will receive a \$1.00 an hour pay increase and the rest of the Jail staff will receive \$1.93 an hour pay increase. These raises will go into effect the pay period that begins August 7, 2023.

The total cost for these pay raises will be \$127,100.00. If the cost of these pay raises cannot be absorbed in the Jail budget by current unfilled position, a budget adjustment will need to be done at year end by taking funds out of Contingency. There are currently 23 Jailer positions, with three (3) vacancies. One (1) position recently became vacant when an employee transferred to the Sheriff's Office.
